

LETTERS TO THE EDITOR

When a letter is approved for publication by the author, JSWVE has always published. Some are positive, while others are negative. Regardless, once we have approval, these letters are published.

Dear Stephen

Thank you for this email. A colleague and I will be submitting a proposal after Christmas with an Australian flavour.

Also, your journal published my first ever paper back in 2014. Since then it has been cited 4 times and twice academics have contacted me to say that they will be using the paper in their teaching. Obviously, your journal has a substantial readership. Thanks for the support in getting my research out there.

Kind Regards

Michele Jarldorn
